A colorful illustration of a pig character with a yellow mohawk, blue-rimmed glasses, and a green and white striped shirt. The pig is holding a dandelion seed head. A large blue hand is reaching in from the left, holding a pair of scissors. The background is a bright yellow sky with several colorful, iridescent bubbles and a small black bird with a red beak flying. The ground is a vibrant red field with several dandelion seeds blowing away. On the right, a large blue shape, possibly a giant's foot, is partially visible.
